

ANA-New York
and
Foundation of New York State Nurses, Inc.

2018 Research Fellow Application Packet

ANA- New York (ANA-NY) and the Center for Nursing Research at the Foundation of New York State Nurses, Inc. (FNYSN) are pleased to announce the 2018 call for Research Fellow applicants. This is a voluntary two-year program for nurses who are interested in improving their research skills under the direction of a coach from the Foundation's Cathryne A. Welch Center for Nursing Research. The Fellow chosen will complete a research-related project.

What benefit might the Fellowship offer your career or the career of someone in your agency? This is a valuable opportunity to be involved with nurses who are involved daily in research activities; to have them available for consultation and support while completing a research project of your choosing. Today agencies are dealing with an emphasis on evidence-based practice in nursing. What benefit might the Fellowship offer an agency to have one of its nurses involved in this Fellowship program?

Please consider the potential and interest of the nurses you know and encourage them to apply for the 2018 Fellow position.

Applications and supporting documents from an individual interested in this position must be received at this address no later than **June 27, 2018**:

Jeanne Westcott, PhD, RN
The Veronica M. Driscoll Center for Nursing
2113 Western Avenue, Suite 1
Guilderland, NY 12084
jwestcott@FoundationNYSNurses.org

The Application Packet for the Research Fellow includes:

1. Research Fellow Program Description
2. Application Form
3. Sample Timetable of Activities
4. Sample Supervisor Letter
5. Selection Criteria for Award (for informational purposes only)

Research Fellow Program Description

Overview

ANA-New York and the Foundation of New York State Nurses, Inc. are honored to sponsor the Research Fellow program for nurses interested in growing their research knowledge and skills to advance nursing practice. This voluntary commitment provides practicing nurses with an opportunity to participate directly with nurse researchers who serve on the Foundation's Cathryne A. Welch Center for Nursing Research. The Fellow will be coached by a member who will assist her/him in completing a research related project. In addition, the Fellow will participate in Center for Nursing Research meetings. The 2018 Research Fellow will:

Participate in all Foundation of New York State Nurses Center for Nursing Research meetings at ANA-New York expense;

Receive personalized coaching on a research-related goal such as:

- an evidence-based practice project;
- preparing a manuscript for publication;
- preparing education programs related to research;
- designing a research protocol for implementation; or
- implementing a research project designed by the Fellow.

Outcomes

Upon successful completion of the research fellowship, the Fellow will demonstrate competencies in research as evidenced by ONE of the following:

1. Presentation on research and/or research experiences to a group of health professionals or to members of the community; OR
2. Presentation of a manuscript related to research; OR
3. Development or evaluation of an evidence-based practice protocol or other clinical intervention resulting from the research fellowship experience; OR
4. Development of a research or research utilization proposal; OR
5. Completion of the Fellow's own, or the Fellow's Institution's, special research related topic.

Eligibility

- ✓ Registered Professional Nurse in New York State.
- ✓ Bachelor's degree or higher degree in Nursing, but not a doctorate or enrolled in a doctoral program.
- ✓ The 2018 Research Fellow will be sponsored by ANA-New York– therefore the applicant must be a member of ANA-New York (membership information is available at www.nursingworld.org/joinANA)

Application Form

1. Contact Information

Name of Applicant:

Home Address:

Telephone Number _____
(Home) (Work)

E-mail Address (H):

E-mail Address (W):

Present Position/Title:

Employer:

Employer Address

2. Eligibility Criteria

ANA-New York
Membership Number _____

Registered Professional Nurse in New York

Baccalaureate degree* or higher degree* in Nursing. Nurses with doctoral degrees or who are enrolled in a doctoral program are not eligible.

* Applicant may have a baccalaureate degree in another field if the applicant has a higher degree in Nursing

3. Required Documents for Applicant

All required documents should be submitted with **your name on each page, have one-inch margins, and at least 11 point font lettering.**

a. A current resume or curriculum vitae.

b. List of organizational memberships, participation, and/or committee offices held if not included and/or highlighted on your vitae.

c. A two page statement that includes:

1. a description of your **current work responsibilities**. Include if applicable, any activities related to research;
2. a description of what you believe this fellowship will **help you accomplish**;
3. **evidence of your potential** for participating in research activities. Include examples of achievements and future plans in relation to research activities and educational goals.

d. Provide a recommendation by a professional colleague who possesses a minimum of a master's degree and who is involved in research activities. This person does not need to be a nurse but should be able to address your potential for research activities and related scholarship.

e. Provide a second recommendation from your supervisor that will attest to your organization's support for the Research Fellowship. See Sample Supervisor's Letter in this packet.

Please submit one electronic copy with electronic signature (may also send a scanned copy) of the above application form and all required documentation to:

Dear Selection Committee for Nursing Research Fellowship:

I am pleased to nominate _____ for the ANA-New York 2018-2020 Nursing Research Fellowship. I understand this two year program enables _____ to participate in the research related activities of the Foundation of New York State Nurses Cathryne A. Welch Center for Nursing Research. I understand that (she/he) will receive individualized coaching to accomplish a project that will enhance (his/her) understanding of research and evidence-based practice.

I understand that _____'s participation in this program will involve attendance at an annual meeting and occasional telephone conference calls. This will involve no direct cost to our organization but rather _____'s travel will be subsidized by ANA-New York. Our organization is not obligated to offer _____ duty time to participate in this program but we may consider it because of the long term benefits this program enables our staff member to bring to our facility.

We fully endorse _____'s nomination for this program and look forward to the ways in which this valuable experience will contribute to our organization.
