Time: 5:30 Networking 6:00 Dinner 6:30 Education Program

Speaker: **Merrily Kuhn, RN, CCRN (r), PhD, ND, PhD**

Overview

More than 80 autoimmune diseases have been identified that attack the bodies organs, tissues & cells. Although the etiology remains elusive, a person's genes in combination with infections and environmental exposure have been suggested, but new evidence suggests vaccines & leaky gut may also be responsible.

Objectives

- Identify etiologies of autoimmune disease
- Discuss prevention strategies for autoimmune diseases.

Speaker

Dr. Merrily Kuhn is one of the nation's most popular lecturers in continuing education. An outstanding, knowledgeable and humorous speaker, she presents key discoveries from medicine and complementary medicine in clear and practical terms. Dr. Kuhn retired as a full professor from Lourdes University in Ohio. She continues to teach online at several colleges and universities around the country, teaching Pharmacology, Pathophysiology and Complementary Therapies.
